Authorized Distributor / Reseller

The MT-4210A is an Android version of mobile POS that provides businesses with the mobility of a tablet and the functionality of a fixed POS terminal. It is a 10.1" tablet supporting MSR/RFID attachment, pistol grip with built-in 2D barcode scanner, 2nd removable battery and an optional dock station to transform the device into a full-fledged, stationary POS.

Adoptable yet Durable

With durability to survive up to 1.2 meters drop, the MT-4210A is a rugged Android tablet designed to meet any business applications.

Patented Pistol Grip (U.S. Patent 9436226 B2)

The optional patented pistol grip is ergonomically designed for easy carrying and houses a removable battery to vastly extend the overall operating time.

Multi-use Versatility

MT-4210A with the patented pistol grip are tailored for service on the go, suited for inventory, line busting, ticket taking, loyalty programs, and many more.

Transform with Dock Station

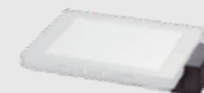

MT-4210A can transform into an all-in-one desktop POS terminal with the optional docking station that integrates a built-in 3" WiFi thermal printer.
